### **HOUSE BILL No. 1743**

#### DIGEST OF INTRODUCED BILL

Citations Affected: IC 11-13.

Synopsis: Adult offender compact. Adopts the interstate compact for adult offender supervision, which creates a national interstate commission for adult offender supervision made up of the compact administrators from states that join the interstate compact. Delegates to the interstate commission the authority to adopt rules concerning the transfer of probationers and parolees between states, and permits the interstate commission to impose fines or seek injunctive relief against a county or the state if the county or state does not comply with the compact. Establishes Indiana's state council for interstate adult offender supervision. Specifies that the older compact applies to states that have not adopted the new compact, but provides that the administrator of the new compact also administers the old compact. Requires offenders to pay a \$50 application fee to apply for transfer out of state. Provides that a parolee's application fee is paid to the department of correction and that a probationer's fee is split between the department of correction and the supervising county. Annually appropriates \$40,000 to the Indiana judicial center to pay the costs of administering the interstate compact.

Effective: July 1, 2003.

13	ARTICLE X
14	COMPACTING STATES, EFFECTIVE DATE, AND
15	PROPOSED AMENDMENTS
16	(a) Any state may become a compacting state. The compact
17	becomes effective and binding upon legislative enactment of the
18	compact into law by not less than thirty-five (35) states. The initial
19	effective date shall be the later of July 1, 2001, or upon enactment
20	into law by the thirty-fifth jurisdiction. Thereafter, the compact
21	shall become effective and binding on any other compacting state
22	upon enactment of the compact into law by that state. The

24	to participate in interstate commission activities on a nonvoting
25	basis before adoption of the compact by all states and territories of
26	the United States.
27	(b) Amendments to the compact may be proposed by the
28	interstate commission for enactment by the compacting states. No

32	ARTICLE XI
33	WITHDRAWAL, DEFAULT, TERMINATION, AND
34	JUDICIAL ENFORCEMENT
35	Part A. Withdrawal
36	(a) Once effective, the compact continues in force and remains
37	binding upon every compacting state. A compacting state may
38	withdraw from the compact ("withdrawing state") by enacting a
39	statute specifically repealing the statute that enacted the compact
40	into law.
41	(b) The effective date of withdrawal is the effective date of the
42	repeal.

- 14 (c) The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The interstate commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty (60) days of its receipt. (d) The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations the performance of which extends beyond the effective date of withdrawal. (e) Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission. Part B. Default (a) If the interstate commission determines that any compacting state has at any time defaulted (thus becoming a "defaulting state") in the performance of any of its obligations or responsibilities under this compact, the bylaws, or any adopted rules, the interstate commission may impose any or all of the following penalties:
  - (1) Fines, fees, and costs levied upon the county responsible for the default, or upon the state, if the state is responsible for the default, in amounts considered reasonable as fixed by the interstate commission.
  - (2) Remedial training and technical assistance as directed by the interstate commission.
  - (3) Suspension and termination of membership in the
  - (b) Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the interstate commission to the governor, the chief justice or the chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature, and the state council.
  - (c) The grounds for default include but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, interstate commission bylaws, or adopted rules. The interstate commission shall immediately notify the defaulting state in writing of the penalty imposed by the interstate commission on the defaulting state pending a cure of the default. The interstate commission shall stipulate the conditions and the time within which the defaulting

state must cure its default. If the defaulting state fails to cure the
default within the time specified by the interstate commission, in
addition to any other penalties imposed herein, the defaulting state
may be terminated from the compact upon an affirmative vote of
a majority of the compacting states, and all rights, privileges, and
benefits conferred by this compact shall be terminated from the
effective date of suspension.

- (d) Within sixty (60) days of the effective date of termination of a defaulting state, the interstate commission shall notify the governor, the chief justice or the chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature, and the state council of such termination.
- (e) The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including any obligations, the performance of which extends beyond the effective date of termination.
- (f) The interstate commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the interstate commission and the defaulting state. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the interstate commission under the rules.

#### Part C. Judicial Enforcement

The interstate commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the interstate commission, in the federal district where the interstate commission has its offices, to enforce compliance with the provisions of the compact, its adopted rules, and bylaws, against any compacting state in default or against a county if the county is responsible for the default. If judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

#### Part D. Dissolution of Compact

- (a) The compact dissolves effective on the date of the withdrawal or default of the compacting state that reduces membership in the compact to one (1) compacting state.
- (b) Upon the dissolution of this compact, the compact becomes void and is of no further force or effect, and the business and affairs of the interstate commission shall be wound up and any surplus funds shall be distributed in accordance with the bylaws.
